2 The ~~Departments~~ under the Senior Surgeon at present are the medical, Sanitary & the Jails. The Senior Surgeon was being assisted in his office work by the Govt oculist who was receiving 100 Rs for doing this work The Senior Surgeon now suggests that a whole time personal ass't may be appointed, as the Govt oculist ~~will~~ will have plenty of work ~~when~~ after taking charge of the Minto Opthalmic Hospital. It is also suggested that the Jail allowance of 100 Rs now being paid to the ass't Surgeon in the Govt Eye Infirmary may be given to the personal ass't to be appointed. The Senior Surgeon states that the time of the Personal ass't will then be fully occupied.

Who will be in medical charge of the Jail

3. It is not stated what grade of officer would be required for the post. Presumably, an officer of an ass't Surgeon's grade would be suffice. In that case, the proposal would mean an extra Cost of the pay of the officer minus 100 Rs - the present allowance of the Personal

2 It is a point for consideration whether there is sufficient work for a full time personal assistant. The whether most of the items of work referred to in para 5 of the Senior Surgeon's letter may not be attended to by the manager: or e.g. this cannot be done whether the place of manager cannot be abolished & a full time person for his personal asst, as suggested by the Asst Secy. 14. Again in April '04 when Col: Benson reverted to the British Service, Lt Col Smyth was appointed to act as Senior Surgeon & Sany: Commr. Mr J. S. Nanjappa was again appointed Personal Asst to Lt-Col. Smyth, in view to enable Lt Col Smyth to exercise personal Supervision & Control over the Victoria Hospl. ~~Since~~ Since Lt-col Smyth was relieved of the Charge of the Victoria Hospl altogether by Mr J. V. Arumugam M.O.S. being placed in charge of the Hospl, Dr S. V. Ramaswamy Iyengar has been the Personal Asst to the Senior Surgeon in addition to his duties as Asst Surgeon, drawing an allowance of Rs 100/ per mensem, for doing the duties of Personal Asst. It will thus be seen that a whole-time Personal Asst was allowed to the Senior Surgeon at a time when, ~~he had~~ in addn to his duties, he ~~had~~ had to look after the Victoria Hospl also. Diary 1776

Sir,

In reference to Government Order No.1986-7/Medl.260-10-8, dated, 31st August 1912, I have the honor to respectfully bring to the notice of the Government that for proper and efficient management of work in my office, I consider it absolutely necessary that I should have a whole-time Personal Assistant to help me in the management of purely routine mechanical work connected with the three offices Viz., those of the Senior Surgeon - the Sanitary Commissioner and the Inspector General of Prisons.

2. It would not be right on my part to expect my present Personal Assistant Dr. S.V.Ramaswamy Iyengar to attend office from 11 A.M to 5 P.M after the opening of the Minto Ophthalmic Hospital, wherein he will have plenty to do.

3. As had been arranged between himself and my predecessor in office Colonel J.Smyth M.D.,I.M.S., Dr. S.V.Ramaswamy Iyengar works from 1-30 P.M to 4-30 P.M.

4. This system, I think, is far from satisfactory & needs altering.

5. The Personal Assistant should be able to come to the office at 11 A.M, open the tappal himself, issue instructions

on

on ordinary routine papers at once and put all important papers before the Senior Surgeon when at Head Quarters the very day they are received or send to the camp with all necessary references as early as possible with a note or pherist of all important & urgent documents sent. This will greatly facilitate ready and early disposal of references.

6. As Dr. S.V.Ramaswamy Iyengar was getting an allowance of Rs.100/- for his duties as Personal Assistant, I was awaiting receipt of Government sanction to proposals sent up by Colonel J.Smyth in regard to the Staff &c., of the Minto Ophthalmic Hospital, before making a reference on the subject detailed above, so that no suggestion may emanate from me that would deprive him (Dr. S.V.Ramaswamy Iyengar) of the extra hundred he was drawing.

7. I consider that the Resident Surgeon of the Ophthalmic Hospital (who will necessarily be debarred from taking up private paying practice) is equally with if not more than the Government Oculist, who is free to take up and who necessarily will get, good substantially paying private practice, entitled to a decent extra allowance.

8. When such an allowance is granted to the present Assistant Surgeon who will be the future Resident Surgeon, the Jail allowance he is now drawing may be passed on to the officer that may be selected as my Personal Assistant.

9. The whole time Personal Assistant will then be the officer in Medical charge of the Jail as well and he will get his grade pay for his duties as my Personal Assistant and Rs.100/- a month as Medical Officer in charge of the Bangalore Central Jail. His time will then be fully occupied.

10. I solicit early orders on this representation, so that I may send up the name of the officer whom I would select as my Personal Assistant.

I have the honor to be,
Sir,
Your most obedient servant,

C. V. Ramachandra Iyer

Senior Surgeon, Mysore Government.
